

## Reading & Rhythm Language Arts Workbook

The *Reading & Rhythm* program is a powerful multi-sensory literacy program that addresses the needs of struggling readers. It is the universal appeal of rhythm that makes the program stand-out amongst other reading strategies.

**Reading & Rhythm Language Arts Workbook** introduces consonant and vowel scales set to the *Reading & Rhythm* beat. The technique is a blending of visual, kinesthetic and auditory methods designed to support the student's reading progress and improve their familiarity with basic sounds and improve their fluency. The workbook provides activities that highlight phonemic awareness, phonics, word recognition, techniques for vocabulary and spelling, and a non-linear approach to comprehension that develops students' understanding of text. The whole program instills 7 simple rules which help break bad reading habits. *Reading & Rhythm* Language Arts Workbook is for educators to use with K-2 grade students. The *Reading & Rhythm* program is designed for both intensive and regular reading classes.
